**EDDW AD 2.6 Rescue and fire fighting services**

1	AD category for fire fighting	7, (CAT 8 or 9 available O/R)
2	Rescue equipment	Available 24 HR
3	Capability for removal of disabled aircraft	The local recovery equipment is available for aircraft sizes up to A320/B737. Equipment for larger aircraft sizes is available as required and can be requested at Frankfurt/Main Airport (ARTS Contract) as part of a pooling agreement. More details could be found in the "Aircraft Recovery Manual". Aircraft recovery commissioner is available under +49 421 5595-223 Communication Center for Rescue and Firefighting.
4	Remarks	Frequency of airport fire department: 121.555 (BREMEN RESCUE); only after request on TWR Frequency; the Rescue Frequency is available for communication with the crew of an aircraft and the command functions of the airport fire brigade. Communication with the crew in the cockpit can be carried out in both German and English. TWR Bremen informs the crew of the aircraft that Rescue Bremen (RFFS) is "ready for contact". Thereupon, the emergency services of the airport fire brigade can contact the aircraft.
